

BEFORE THE VISIT

As there is so much to see and experience at Wookey Hole Caves and Papermill, we feel that it is important for your class to know before their visit what to expect and what to look out for.

An ideal starting point is the 'Finding Your Way Around Wookey Hole Caves and Papermill' activity sheet. This simple, pictorial plan shows the position of all our attractions and facilities, and the children can follow the route that their tour will take. The map can also be used on-site.

It may be helpful to introduce your class to some of the new words and technical terms that they will hear during their visit. (See **glossary**)

ACTIVITY SHEET GUIDE
